# Dual USB Car Charger

## In-Car Charger for USB Devices

Charge while you drive! ARCTIC's **Dual USB Car Charger** charges and powers up to 2 USB devices in one go. Even if you are in the middle of a traffic jam or on your way to a long drive, you can keep on using your USB devices. Not only does this **Dual USB Car Charger** support fast-charge for your iPads and iPhones, it also works with all Smartphones as well. This light and compact charger is definitely a must-have whenever you drive.
